### **King Edward Medical University Lahore (Estd.1860)**

This premier national institution had its inception as Lahore medical school in 1860. Dr. J. B. Scriven was the first principal of this school. It was the second medical school established in the sub-continent, the first being in Calcutta.

The school started functioning in artillery barracks at the present site of Government College University Lahore, and a dispensary was attached to it which was located in a stable, almost a mile away from the school. In 1870 the college was attached to the newly built Mayo Hospital. The first building of the school was completed in 1883 and it was renamed as Lahore Medical College in 1886. The Licentiate Diploma initially offered by the school was re-designated as Bachelor degree and first MBBS degree was awarded in 1891. The college was officially affiliated with the Punjab University in 1906.

The expansion of College building started in 1910, and in December 1911, Lahore Medical College was rechristened as King Edward Medical College. There were generous donations from various princely states for the expansion project and that is why different blocks of the college were named after these states such as Patiala Block, Bahawalpur Block, Faridkot Block and Kapurthala Block.

After independence, Lt. Col. Ilahe Bukhsh became the first Pakistani Principal of the College. In January 2006, the college was upgraded to a degree-awarding Medical University.

## ADMISSION PROCEDURE

### (A) Calculation of Aggregate Percentage

- (i) After the declaration of official result of the Entrance Test, the admission process for public sector medical and dental colleges will start as per notified schedule.
- (ii) The merit shall be worked out as per the regulations of Pakistan Medical and Dental Council (PMDC), and shall be based on the aggregate percentage of the candidates worked out by adding the marks in the following ratio:

Matriculation (SSC or Equivalent)	–	10%
HSSC/F.Sc (Premedical or Equivalent)	–	40%
Entrance Test	–	50%

- (iii) The Formula for calculation of merit is as follows:

$$\frac{\text{Marks obtained in SSC /Equivalent}}{\text{Total marks of SSC/Equivalent}} \times 1100 \times 0.10 = 10\% \text{ of SSC/Equivalent}$$

$$\frac{\text{Marks obtained in HSSC /Equivalent}}{\text{Total marks of HSSC/Equivalent}} \times 1100 \times 0.40 = 40\% \text{ of HSSC/Equivalent}$$

$$\frac{\text{Marks obtained in Entrance Test /SAT II/MCAT}}{\text{Total marks of Entrance Test /SAT II/MCAT}} \times 1100 \times 0.50 = 50\% \text{ of Admission Test}$$

$$10\% \text{ SSC/Equivalent} + 40\% \text{ HSSC/Equivalent} + 50\% \text{ Admission Test} = \text{Aggregate Marks}$$

$$\frac{\text{Aggregate Marks}}{1100} \times 100 = \text{Aggregate Percentage}$$

#### **Example 1 :**

Marks obtained in Matriculation	=	992 / 1050
Marks obtained in HSSC/FSc	=	980 / 1100
Marks obtained in Entrance Test	=	970 / 1100

By applying the aforementioned formula:

$$992 / 1050 \times 1100 \times 0.10 = 103.92$$

$$980/1100 \times 1100 \times 0.40 = 392$$

$$970/1100 \times 1100 \times 0.50 = 485$$

$$\text{Aggregate Marks} = 103.92 + 392 + 485 = 980.92$$

$$\text{Aggregate Percentage} = 980.92 / 1100 \times 100 = \mathbf{89.1745}$$

#### **Example 2 :**

Equivalence of O-Level	=	812/900
Equivalence of A-Level	=	925/1100
SAT II Score	=	2100/2400

$$\begin{aligned} 812/900 \times 1100 \times 0.10 &= 99.24 \\ 925/1100 \times 1100 \times 0.40 &= 370 \\ 2100/2400 \times 1100 \times 0.50 &= 481.25 \end{aligned}$$

$$\text{Aggregate Marks} = 99.24 + 370 + 481.25 = 950.49$$

$$\text{Aggregate Percentage} = 950.49/1100 \times 100 = 86.4081$$

- (iv) Final calculation in percentage will be rounded up to four decimal points.
- (v) No marks will be deducted for extra attempts availed in HSSC/FSc examination by the candidate beyond the period two years after passing the SSC/ Matriculation annual examination.

**(B) Submission of Admission Forms**

- (i) Only those candidates having domicile of any district of the Punjab and Federal Capital Area (Islamabad) who will score **82% per cent or above aggregate marks (excluding Hifz-e-Quran marks) as per PMDC formula**, shall be eligible to apply for admission against **Open Merit Seats** in public sector medical/dental institutions of the Punjab and **Reciprocal Seats** in public sector colleges of KPK, Balochistan and AJK.

- (ii) **The order of preferences once given shall be final and cannot be changed subsequently. This condition is mandatory and neither any subsequent change is entertainable nor any exceptions will be made.**
- (iii) Starting with the first preference, applicants will be assessed and ranked according to the merit for each college. A computerized matching process will allocate applicants meeting the minimum merit requirements a place to the highest listed preference for which they are eligible.
- (iv) Once offered a place to the highest listed preference, an applicant cannot demand admission to a college named lower in his/her preferred list.
- (v) **An applicant, under no circumstances, shall be considered for a college, he/she has not named in his/her order of preferences. The Admitting Authority shall not assign a college by itself if the alternate choices are not indicated.**
- (vii) Applicants are advised not to name their preferred college repeatedly in every space on the Admission Form. Similarly, it is also pointless to name only one college. In either case, the applicant will receive a single place on the list for that college and it will not increase the chances of his/her being allocated a seat in that particular college.
- (viii) Only those candidates applying for admission against Open Merit seats can opt for all the public sector medical/dental colleges of the Punjab.
